We invite local businesses to support this event through corporate advertising in our professionally printed concert program, distributed to every attendee, with additional visibility on our website.

As Wilmington's oldest community choral organization, our diverse ensemble of more than 90 singers connects with an audience that values the arts, community, and meaningful cultural experiences. The Wilmington Choral Society is a 501(c)(3) non-profit corporation focused on the mission of bringing the gift of music to the greater Cape Fear Region. Money raised through our corporate advertisers will be used to help with general operations and fund special events.
